- Ergonomisches Design und beständiger Silikon-Nackenbügel
- DSP-Geräuschunterdrückung eliminiert externe Störgeräusche

Description

The BRENDAN Wireless Bluetooth In-ear Headphone provides clear, high-quality sound, with ergonomic design for a comfortable music experience. A built-in HD microphone and DSP noise reduction technology allows you to talk and hear clearly in any situation. With fast-charging functionality, full power only takes 20 minutes so you will not miss any music or calls on the go. Built-in magnets attach the earbuds together for secure and convenient storage when not in use. The IPX4 water resistance rating protects the earbuds from rain and sweat, making them great for daily use at the gym, running, working or travelling.

Additional Information
