

CUSBCAR2A 10.5W 2-Port USB Car Charger

Product Images

Short Description

- Charge USB (5V) devices quickly thanks to high output (max. 1000mA)

- Charge your USB device without the need of your PC or notebook
- 2 USB ports for charging 2 devices at the same time
- Small, compact and easy to take along

Description

This dual USB car charger is the ideal solution for charging your iPad or tablet and most of your other USB devices like (smart) phones and MP3-players through the cigarette lighter of your car, truck or boat! The dual USB car charger works on 12 - 24 volt and converts it to 5 volt. You can easily charge your USB devices while travelling by car, truck or boat, without the need of a PC, notebook or wall socket. Thanks to the high output power and 2 USB ports, you can charge 2 USB devices at the same time!
