Description

Conceptronic EYOTA Gaming Chair is your best friend for daily, intense gaming sessions or long, hard work and study. Ergonomic design with segmented and contoured seat provides a superior comfortable experience, backed up with perfect head and lumbar support. The chair is easily adjustable for finding the perfect seated position, allowing the occupant to relax both the spine and neck while maintaining an alert, upright posture. Smooth-rolling casters offer great stability and mobility, and soft PU leather upholstery provides a unique appearance, strong wear resistance and high elasticity for comfort and a uniquely enjoyable seating experience. Absolutely the ideal choice for gaming or serious work sessions!
