

Equip Pro Mount 19" Wall Mounted Network Cabinet, 09U, 600x450mm, with Glass Door, Removable and Lockable Panels, Assembled, RAL9005 Black

Product Images

Short Description

- 9U cabinet, designed for optimal performance in every space
- 600X450MM Mountable Network Cabinet
- Ships preassembled for easy setup at your location
- The cabinet comes with a tempered glass frontdoor to provide unmatched strength while maintaining clear visibility
- Sidepanels are removable

Description

Our Wall Mounting 'Pro Mount' Cabinets are tailored for a hassle-free and efficient setup of both active and passive network components, emphasizing sleek cable management. Constructed from steel sheets up to 1.5 mm thick, every rack stands out for its robustness and durability. These cabinets are beautifully finished with a powder coating in shades of grey (RAL 7035) and black (RAL 9005). Wall mounting has been simplified for users, and for those preferring standalone configurations, individual leveling feet or castors are available. The door and side panels are designed for easy detachment, with the option to switch the door's orientation from right to left. For enhanced air circulation, the roof features integrated ventilation slots. Each cabinet is equipped with a set of two pre-mounted 483 mm (19") profile rails. These rails are galvanized, feature height unit markings readable from both directions, and are adjustable in depth. The back frame also incorporates 483 mm (19") punch-outs. Prioritizing efficient cable management, the roof boasts a sliding cable entry panel with a rubber seal. Punched-out cable entries with plastic covers are found on the rear wall and base, and the rear frame offers brushes on both the top and bottom. To fulfill a variety of operational demands, an extensive range of accessory options, such as cable management tools and shelves, is available.

Additional Information

Wall mountable.	Yes
Number of cartons per pallet.	20 piece
Pallet Net Weight.	160000 gram
Pallet Gross Volume.	3360500 cubic_centimeter
Package Volume.	9438000 cubic_centimeter
Maximum number of stacking cartons.	4 piece
Pallet Net Depth.	1300 millimeter
Pallet Net Width.	1100 millimeter
Pallet Net Height.	2350 millimeter
Manual.	Yes
Mounting kit.	Yes
Key lock.	Yes
