

245013 Mouse Pad, Red

Product Images

Short Description

- Works with all mice
- Anti-slip rubber bottom
- Provides greater accuracy with smooth control
- Material: Polyester fabric + Natural rubber bottom

Description

This mouse pad is compatible with all mouse types (ball, optical, laser). The base is slip resistant, and the surface consists of a tough yet comfortable nylon fabric. With a thickness of only 3mm, the mouse pad is very slim and low-profile so it does not get in the way. This is the perfect addition to a relaxed and comfortable working environment.

Additional Information

Harmonized System (HS) code.	401699
