Short Description

- Compatible with all Qi-enable devices
- Foreign-object-detection (FOD) function provides safe operation
- Ultra-slim design
- 10W fast charging

Description

This wireless charger is the ideal solution for charging your Qi-enabled devices or any device with a Qi receiver. The charger is conveniently cable-free, automatically charging devices by simply placing them on the charger. An ultra-slim design and aluminum shell ensures efficient heat dissipation. Foreign-object-detection (FOD) and the LED indicator provide safe operation, stopping the charging process when any foreign metal object is placed on the charger. A great companion for your desk!
