Description

The equip 650602 single display TV cart with stylish, technical and functional design to provide solid presentation solution for most 37-70" LED, LCD flat panel TVs loading capacity up to 50kg.

Its flat panel TV brackets vertically allow effortless height adjustment of max. +5°~-10° freely tilting allows easy angle adjustment and reduces glare from lights or windows to obtain the optimal viewing comfort.

Solid base provides additional security by removing the possibility of tripped over and ensures reliable performance for years of use. Locking casters make TV carts easy to move and stop for. Internal cable management hides wires from view to keep a clutter-free appearance. Ideal for conferencing, public displays or other professional presentation.
